Rules of Show Jumping

“TWO PHASE” ARTICLE 274 (5.3)

A competition comprising two phases run without interruption. The finishing line for the first phase is the starting line for the second phase. There will be eight or nine fences in the first phase, and four, five or six fences in the second phase including one combination. Competitors incurring a penalty in the first phase, or exceeding the time allowed, will be halted by the bell after completing the first phase. Competitors will be placed according to penalties and time in the second phase and, if necessary, to their penalties and time in the first phase.

“GRAND PRIX” ARTICLE 261 (5.2)

This competition is designed to encourage better jumping by making performance over obstacles the principal factor. The competition consists of two rounds, plus a Jump-Off for a limited number of riders.

ROUND 1

All riders take part in Round One with ten, eleven or twelve obstacles, including at least one combination. The “Time Allowed” is calculated using a speed of 275m/min for “Freshman”, 300 m/min for “Improvers”, “Progressive” and “Intermediates” and 325 m/min for “Advanced” & “Stars”. Time penalties apply if the “Time Allowed” is exceeded (1 penalty per four seconds or part thereof). The “Time Limit” is twice the “Time Allowed”. Any rider exceeding the “Time Limit” is eliminated.

ROUND 2

All riders, including those who were eliminated or who retired during Round One, may take part in Round Two. Riders ride the same course with the same obstacles (excepting that the number of obstacles in Round Two may be reduced to a minimum of eight) in the same draw order as for Round One, excepting that all obstacles in Round Two are raised 5cm. Time penalties again apply.

JUMP-OFF

All riders who have ridden two clear rounds take part in the Jump-Off, plus all others with the least number of penalties so that at least 25% of the field participate. The Jump-Off will consist of a minimum of six obstacles, including a combination. All obstacles in the Jump-Off are raised a further 5cm.

PLACING

Riders who take part in the Jump-Off, are placed according to their aggregate penalties, including their penalties in Round One and Round Two which are carried forward into the Jump-Off, and, if on equal penalties, to their time incurred in the Jump-Off. The remaining riders are placed according to their aggregate penalties in Round One and Round Two and, if on equal penalties, to their time incurred in Round Two.

TEAM SCORES

- Points will be awarded to 10th place in the championship
- Best 4 scores will be taken from each school

The Northern Interschool Series 2018

Individual Champion and Reserve Champion for each section will be awarded at the conclusion of the Northern Interschool Series. All Scores count towards the final Northern Individual Championships. In case of an equal, sashes will be awarded to both parties. If a horse & rider combination has won the Northern Championship at a particular level, they are not eligible for the Northern Championship at that level in subsequent years. The exception to this is if they are at the highest level on offer, i.e. Star Level in Show jumping & Advanced Dressage. Riders can compete at the same level but will not be eligible for Northern Zone points. Riders must compete in at least two Northern SJ events to be eligible for a series award.

The Champion School Team for both Dressage and Showjumping will be awarded a Perpetual Shield/Rosette at the conclusion of the final event of the Northern Championships.

SCORING:

Team Championships will use the following system of scoring. The best 4 scores from each school count for the School Points at each competition.

Points will be allocated on the basis of 10pts for 1st, 9 pts for 2nd and so on to 1 pt for 10th place in each championship level to a maximum possible score of 40.
