

DRAMA ARTWORK CHALLENGE

**Braemar College, Drama Department
Remote Learning - Term 2, 2020**

Introduction

Over the past two weeks, many challenges have presented themselves as we work in the new remote setting, but this hasn't stopped our dedicated Drama Students!

Right across the Drama Department of Braemar College (from years 5 to 12), students and their teachers have been working on a Dramatic Artwork Challenge.

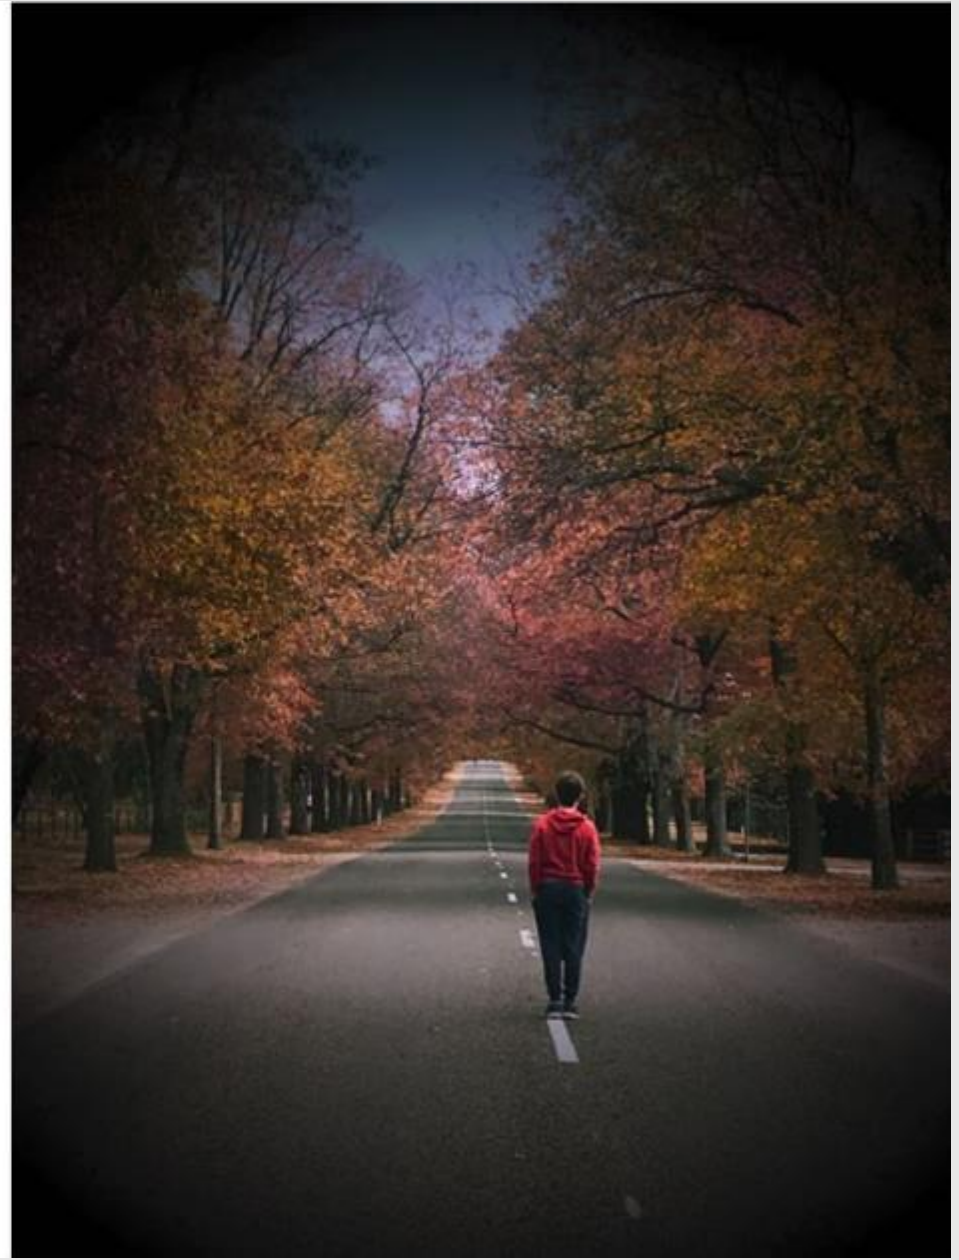

This task asked students to get moving and thinking in a creative way, using their family members - and even their pets - to recreate artworks.

Students delved into the details of the artworks and highlighted different elements including costumes, props, gestures, and even the mood of the pieces. Once recreated, the students captured their work and shared it digitally with their teachers.

Here is a sample of some of the AMAZING work coming through from our students.
